New CEO On-Boarding Tools and Support for Your Board Leadership: Not Like Other Organizations!

When you read the recent article in the Harvard Business Review you will discover that BGCA is ahead of the pack and positioned to help your board of directors fill the CEO hiring on-boarding gap outlined by the Bridgespan Group study. The chief responsibility of any board is hiring and management of the senior executive. Yet a recent Bridgespan Group survey of nonprofit CEOs found that nearly half (46%) got little or no on-boarding help from their boards. As one executive put it, "The board essentially said, 'We're glad you're here. Here are the keys. We're tired." Your Director of Organizational Development is your organizations primary point of contact, and BGCA are ready to assist you with a full complement of CEO On-Boarding Tools.
