

1. What steps do you need to take to ensure that your safety policies are up to date and legally compliant?
2. If you have a safety committee or task force, what are its responsibilities?
3. What do you do to minimize hazards at both owned and non-owned Club sites?
4. What do you do to maximize security at both owned and non-owned Club sites?
5. How do you know and document when a Club member enters or leaves your custody or who picked them up?
6. If you transport Club members, how do you ensure the vehicles are safe to drive and the drivers are competent and responsible?
7. How do you educate and empower all staff or volunteers to share even the slightest suspicion or concern about a child's safety, or another adult's intentions?
8. How should your Club control technology issues such as social media and Internet access, texting, cellphones, cameras, and cyber-bullying?
9. Other than failing a background check or a drug test, how do you determine if a potential staff or volunteer is a bad fit?
10. How do you know your Crisis Communication Plan can address a wide range of possible "critical incidents" such as child abuse or sexual misconduct, accidental death, a missing or abducted child, a severe injury or a suicide? Would your plan address how you communicate with leadership, staff, parents and the media?
