BOYS & GIRLS CLUBS OF ANY TOWN, USA INDIVIDUAL BOARD MEMBER'S ENGAGEMENT AND DEVELOPMENT PLAN

One of the most critical factors in the successful establishment and operation of a Boys & Girls Club is its Board of Directors. In fact, when a new Club organization begins, it does so with volunteer leaders who recognize its potential value to the community and who are committed to its success. When all is said and done, the benchmark of your service as a Board member will be the impact made upon the lives of the young people in the Wiregrass community who depend on the Boys & Girls Clubs as their guide and opportunity to a lifetime of success.
