

Ensuring the safety of every single child who attends a Boys & Girls Club is imperative to our mission. Boys & Girls Clubs of America and Praesidium, one of the country's leading abuse prevention experts, have partnered to bring Clubs FREE Sexual Abuse Prevention training to local board members! These online courses – which are also available to any active Club board professional or volunteer - focus on recognizing red-flag behavior, mandated reporting, preventing peer-to-peer abuse and much more. Participants will learn how offenders operate, how to intervene, and how to manage these high- risk situations.

Registration is easy and available to anyone with a BGCA.net account! To enroll follow the below steps:

- * Visit Spillet Leadership University at, www.bgca.net/Training/
- * Browse training catalog
- * Select and launch a course

As we know, the safety and protection of youth is our number one priority. It's critical that all Clubs are equip with the tools they need to protect youth. We encourage everyone's participation in this training opportunity!
