Board Network

High Impact Board Practices
to Strengthen Your Board

About the Network

Join fellow Boys & Girls Club board members for a dynamic and interactive learning opportunity designed to foster peer-to-peer exchange, strengthen governance practices, and elevate organizational impact. This facilitated training experience brings together board leaders from across the Movement to share best practices, explore common challenges, and co-create solutions in a supportive environment.

Based on the recently released Blueprint for Board Engagement,, participants will engage in guided discussions, case study reviews, and breakout sessions focused on high-impact board practices. The format will encourage open dialogue, mutual learning, and the building of lasting connections across the Movement.
